

Ocean Beach Must Take Advantage of Urban Renewal Opportunity

(Editor's Note: This is the fifth installment of an educational and informational series on Urban Renewal. This series will deal with all phases of the program, in order that the public will understand the full impact of such a project. Previous installments have defined terms, outlined the need for community support, and explained the working team and the overall plan.)

Ocean Beach has a unique opportunity to become, within a very few years, a community without blighted areas, a thriving first-rate shopping and business district, a demanding tourist attraction and a recreational and residential haven. Or, it can become a secondary business and residential area, not using its natural endowments, with a continuation or spreading of sub-standard dwellings on the most valuable land in San Diego.

The value of good, sound buildings is adversely affected by adjacent deteriorated structures and poor traffic patterns. A planless community is quickly made obsolete by failure to recognize modern growing de-

mands. Areas of good, single family housing are spotted by cheap rooming houses or encroaching commercial uses or unused vacant lots strewn with debris or overgrown with weeds. Small pockets of deteriorating housing remain in areas primarily needed for commercial development.

Organized Growth

Growth and progress must be organized. Livability must be protected by a comprehensive community supported plan which utilizes the cooperation of citizens, city and federal government. This is the situation in which Ocean Beach finds itself. We are now able to secure city and federal support of an urban renewal program to protect and develop our growth as a community. Do we have citizen support?

All progress is a succession of ideas put into effect by men of faith. Never before has a community had such an opportunity to put its ideas into effect with the help, support and backing of city and federal agencies. Now a definite tailor-made progressive plan can be decided

upon by the community and its leaders with the assurance that it will be carried to full realization.

Citizens of vision have done much in the past to promote better use of existing facilities, promote new and needed facilities and fight for progress in this community. But no one person or group can do all that must be done. Now the entire community can work together and realize better accomplishments because of their belief in the future of Ocean Beach.

Importance of Planning

The importance of detailed plans for a community's progress cannot be overemphasized. Surveys of economic and other data must indicate what is to be done with every parcel of land in an area of growth. Property owners must be willing to rehabilitate their structures to the extent of the up-grading of the entire neighborhood. It is worth while to expend his community action to accomplish up-grading, or stabilizing of property values in an entire neighborhood area and bring venture capital back to renew old properties and

provide new and modern structures.

The objective here is far beyond just repairing and remodeling a few blighted or obsolete structures. It deals with up-grading entire neighborhoods, with restoring a decent environment to families, with providing decent housing, with strengthening family life and checking juvenile delinquency, and increasing the pride of citizenship, property ownership and confidence in the whole community.

Teamwork—A Tool

We possess all of the mediums necessary for great accomplishments in community betterment, but to date we have failed to use the one tool that has been so successfully employed by private enterprise, namely, teamwork. There is no civic problem that cannot be licked at a round table discussion between local leaders and government officials. It is the responsibility of every citizen in a democracy to make a contribution toward the betterment of community life. It is worthy of our energy; the opportunities are at our very doorstep.

This Is The POINT

... Up and down the avenue: merchants and citizens are buzzing with enthusiasm about the urban renewal project in the Ocean Beach area. The outlook is brighter than ever, with a feeling that ours will be a community with a future.

... Mrs. Lewis Alden of 2111 Froude sent a lovely blossom from her rare rhododendron plant to our office. The flower has twelve pale purple blossoms on the same stem, and usually grows only where it is more damp. The entire plant is five feet high and four feet wide.

What They're Saying . . .

by HARRY LA DOU

(Editor's Note: Each week a prominent community leader will write an editorial on any subject he chooses. This week's comments are by Harry La Dou, chairman of the Beach Improvement Committee of the Ocean Beach Chamber of Commerce.)

While every community and its leaders need a critical prod occasionally in order to sit up and take stock of its value, it is also important to recognize the positive efforts of community-minded citizens who are working constantly in the background.

It has been said lately that this community is suffering from a general apathy, lack of up-to-date master planning and improper utilization of natural endowments. However, many people do not realize that a master plan has been and is being developed for the community through the efforts of members of the Chamber of Commerce.

Several years ago we all realized that there were basic improvements that needed to be made in the area. In constantly making mention of what is wrong, I feel we have overlooked what has been accomplished.

Loma Portal Little League Ends Third Week of Play

After three weeks of league play, Princess Homes Royals took the lead with 5 wins and 1 loss, while Oscar's and Lorilee tied for second place with 4 wins and 3 losses each. Whitney's has 3 wins and 4 losses and Cubic Corp. has 1 win and 6 losses.

Saturday's double header was the thriller of the week, with Oscar's defeating Lorilee 8-6 as Jay Morgner started off the winning rally with a home run. The afternoon game between the Princess Homes Royals and Cubic Corp. went into extra innings after being tied 1-1 at the end of the 6th. Cubic took the lead in the top of the seventh when Jimmy Rogers hit the second home run for Cub-

preliminary organization.

Yellow Contest Ends First Stage

Contestants in the \$25,000 San Diego Yellowtail Derby dug deeply into their bags of angling tricks under steadily mounting pressure this week as they prepared to close out the first of three qualifying periods Saturday.

Maintaining average catches of better than 700 yellows a day, anglers jacked up minimum qualifying weight to 22-10 as the final week of the initial period began. As it now appears, a 23 pounder may be needed to win a place among the 150 eligibles for the period fishoff for a station wagon and other major prizes May 29.

Anglers from Point Loma and Ocean Beach who now seem assured of receiving their bids to the first period fishoff include: 24-2, Don Gallacher, 1555 Rosecrans; 23-10, Henry Schriefer, 4604 Estrella, and 23-7, Lucile B. Turner, 1032 Devonshire.

Qualifying in the second

eight-week derby period will be-

gin Sunday, with minimum

qualifying weight once more

down to the 15-pound starting

level.

THIS WEEK'S PERSONALITY

Meet Harold F. Green

By George A. Tasch

There must be something about country air that is conducive to producing solid substantial citizens. Harold F. Green, owner of the Marlin Inn at 2930 Fenelon St., is one of those men raised of sturdy country stock.

Born in 1902 in Creighton, Nebraska, Harold attended Creighton Academy. He stayed with the family until 1931 helping his father operate their Pure Bred Live Stock Farm. In 1929 he spent a vacation here in San Diego and decided then and there this was to be his future home.

His ambition was realized in 1936 when he came to San Diego and purchased the "Old Chief" restaurant at Broadway and Union. Four years later he purchased a cafe at 4th and E Sts., still known today as Green's Cafe. Somewhat later he purchased a chain of liquor stores which became the largest chain of stores in San Diego. However, Harold's first love was the cafe business and in May of 1949 he purchased the Marlin Inn, a famous meeting place for all San Diego fishermen.

In 1953 he met and married Madeline Clemmons, then owner of Madeline's Dining Room in Ocean Beach. After their marriage, Madeline sold her interests in Ocean Beach and opened a new and luxurious "Madeline's" in connection with the Marlin Inn.

Harold holds membership in Point Loma Kiwanis, San Diego and San Diego Chamber of Commerce. His hobbies are golf and his workshop.

Nice to have met you, Harold F. Green.

POLYNESIAN PRINCESS

An ancient hand-carved spear used by cannibals before Christian missionaries went to the Cook Islands, will be among the relics to be presented to the San Diego Museum by Mrs. Walter Mandel, of 4919 Cape May Ave.

Mrs. Mandel (nee Nane Tugane Tekura A Manu Kite Puataurere) is a princess of Rarotonga, one of the islands which is located about 400 miles south of Tahiti. The spear was a gift from her uncle who is King of Mangaia Island, the only reigning male left in the island group. Other relics she will present will include tools made of rocks and ammunition used in ancient sling shots.

Witch Doctor

When Mrs. Mandel and her husband returned recently from a ten-months visit to the islands, they brought back two bottles of witch doctor medicine made by Rarotonga's woman witch doctor.

"I have a friend in San Diego who wants to have it analyzed," Mrs. Mandel said. "He is so curious to find out what she brews. It cures lots of diseases. The witch doctor is very popular and people come from all the islands for her medicine. She is the only one left and will not divulge any of her secrets even to her assistants."

Mrs. Mandel is a lovely brunette with only a slight built-in sun tan. She speaks English slowly and with a disarming accent. Several freckles on her nose only enhance her charm and personality.

Members of the Point Loma Assembly will remember her exotic Polynesian dances at their Flower Show two years ago.

Island Romance

They also will remember the romantic story of how she met her husband, a Convair engineer, when he visited her island home seven years ago. They corresponded three years, then Mandel returned to claim her as his bride.

Their wedding ceremony and feast, the largest the island had ever witnessed, was attended by over 800 guests. "For over a month my relatives worked to prepare the food," said Mrs. Mandel, whose mother is cousin to the island's queen.

During their recent visit to Rarotonga Mr. Mandel recorded the unique native drum

music which his wife prefers to use for her dancing. "Polynesian dances are different and much faster than Hawaiian dances, and it is difficult to find appropriate music for them," she explained.

The Mandels plan to return someday to make their home on the island. "There're no jobs there in my line," said Mandel (he designs precision instruments for Convair). "I guess I'll have to be a tomato farmer."

BRUSSELS BOUND

Mary Stivers, wearing boots and a "cowgirl's costume," will report for duty June 1 at the World's Fair in Brussels, Belgium. Mary, former Point Loma High School student and a coed at Arizona State, has a job in a Wild West Show at the Fair.

Mary is one in a company of 100 who are signed for six months of shows. "There is a possibility of our touring Southern France and Italy after the Fair," she said.

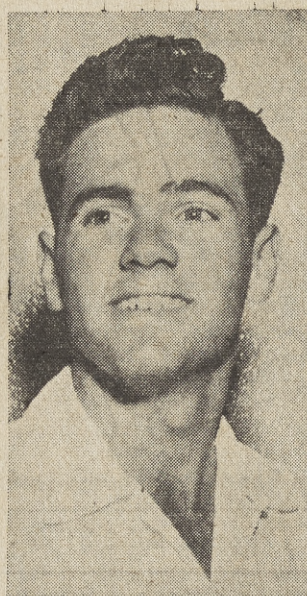

Fifty members of the show cast are full-blood Sioux Indians. Their show, depicting the "days of the Old West," will be held in the Goodyear Building, a structure advertised as completely held up by air, Mary said.

All members of the cast will wear western clothes all during their stay abroad. Mary is having Jo Decker of San Angelo, Texas make five complete western outfits for the trip. One set is all white, satin shirts and pants, white felt hats and white leather boots.

HITHER, THITHER, YON

Maurice Murphy, daughter of Dr. and Mrs. Patrick Murphy, has returned from St. Mary's School of Nursing in San Francisco where she passed her state examinations. She is working in the surgery section of Sharp Memorial Hospital at present. She plans to continue her schooling at San Diego University for Women.

More than 550 visitors had an old-fashioned barbeque lunch Saturday at the Spring Round-up (Open House) at Cal Western University. Girls in bonnets and calicoes and boys in boots and jeans gave the Point Loma campus an air of western authenticity.

COLLEGE SCHOLARSHIPS — Four Point Loma High School students have won a total of six college scholarships, school officials revealed this week. Pictured above are the winners (left to right) Stephanie Carol Squance, Gary Alan Davis and Robert J. Sullivan, Jr. Shown below is the fourth student, Robert Leo Surles. Davis and Sullivan plan to attend out-of-state colleges, while Surles and Miss Squance will attend California institutions. All four winners are members of the California Scholarship Federation at Point Loma High School.

OB-PL Pony League Ends 4th Week; Exhibition Game On Memorial Day

With four weeks of play for the season the Ocean Beach-Point Loma Pony League fans have watched a "no hit" game, eight home runs, and two homers with the bases loaded.

In the game of May 6th Burlan of the Optimists banged in a homer with bases loaded to take the lead over the Big Wheel, and a 5-3 win for the Optimists.

The next day Holly of the Merchants started the game with a homer with bases loaded in the first inning. The Merchants went on to win 14-1 over Welch's Music.

The May 8 game between La Dou and 7Up produced four doubles for La Dou. Bailey, La Lou pitcher, fanned 12 batters to win 9-0.

Going into the 7th inning Friday, Big Wheel had six runs over Moose with four. With two outs in the last half of the last inning Lay singled, Hitt sacrificed, Wiley doubled and Kemp singled to bring in 3 runs for a 7-6 win by Moose.

In the three Saturday games La Dou beat Optimists 15-6, Lions won over Welch's 14-5, and 7Up over Merchants 2-1.

On May 12 Merchants played Big Wheel to win 6-4 but the game was protested and the 7th inning will be replayed May 30.

Tuesday, 7Up won over Welch's Music, 10-6.

Wednesday, Optimists played Moose and won 10-7.

Thursday, La Dou won over Lions 8-6. Rucker of La Dou hit a homer with one man on base.

Friday, Welch's Music lost to Optimists 1-9.

Saturday, Moose Pitcher, Atwood, hit a homer in the first inning to set the pace for a 12-7 win over Merchants.

7Up won over Lions 4-1 and La Dou won over Big Wheel 11-0.

Player Injured

Optimists pitcher Kehrle was the first player to be seriously injured. Saturday while fielding a bunt he collided with the runner and was taken to the hospital with a fractured elbow. With normal healing he will be playing again in six weeks.

Dugouts For League

Brick masons, Point Loma Optimists and Pony League fathers will join efforts to erect dugouts at the Mission Bay recreation area. The Optimists club raised the funds necessary for materials and George Wiese, business agent for the Brick Masons Union, said the Union will be happy to do all masonry work free. Pony League fathers will do the excavating and carpentry work.

Exhibition Game Memorial Day

In honor of Father's Day, the Pony League fathers will play an exhibition game against the League coaches and officials.

Lions and Moose will then go on the field to play a tie which was called because of darkness. Big Wheel and Merchants will take over to play out a protested game. An impire decision concerning a balk was protested by Big Wheel and upheld by League officials.

Brownie Troop To Hold 'Fly-Up'

Twelve Brownie Scouts of Troop 658 will "fly-up" to Intermediate Girl Scouting at a ceremony Tuesday, May 27, at the home of Dr. and Mrs. T. Kimball Hill, 3343 Udall St.

The girls include Katherine Baker, Edith Ann Heller, T'Anne Hill, Louise Kirtland, Margaret Ann MacLaggan, Barbara Putnam, Sally Sikes, Jean Solwick, Wendy Woodward, Linda Houston, Ellen Garey and Angela Roberts.

In charge of the ceremony will be the leaders, Mmes. H. F. McEwan and Robert S. Putnam. Mrs. Fred Baker will assist the hostess.

Gov. Knight Visits Area; Gains Legion Support

Co-incident with Governor Knight's visit to the San Diego area this week, Warren Atherton, former national commander of the American Legion, pledged his full support to the Governor's candidacy for the United States Senate.

Atherton, a Stockton attorney who recently withdrew his own candidacy for the Senate, accepted chairmanship of a statewide Veterans' Committee for Knight and promised an intensive campaign in the Governor's behalf.

Citing Knight's World War I naval service, Atherton said he is calling on all veterans, regardless of their political leanings, to support the Governor

as the only major candidate in the Senate race who is a war veteran with active military service.

In a whirlwind 12-hour day, Governor Knight spoke to, visited and shook hands with San Diego County Republicans and Democrats alike.

Chairman of Governor Knight's San Diego County advisory committee, Ray T. Blair, Jr., introduced the Senatorial candidate to the San Diego Democrats for Knight in these words: "Goodwin J. Knight is the one candidate who understands the problems of all the people in the San Diego area and still represents the entire state of California."

PROCEEDINGS AND DEBATES OF THE 85th CONGRESS, SECOND SESSION

KNOWLAND Has Voted For Measures that BENEFIT the Working Man

1. Voted for minimum wage increases.
2. Voted for Social Security Amendments to increase benefits and persons covered.
3. Voted for the Act favoring Federal

Policies to promote full employment.

4. Voted to bring smaller firms into unemployment compensation program so as to give jobless benefits to more workers.

While a member of California legislature, supported legislation which assured every worker the right to join a union of his choice. This outlawed the so-called "Yellow Dog Contract," and prohibited management from discriminating against hiring of union members.

Today Bill Knowland is a Candidate for Governor of California

He says to you: 1. The right of every American worker to belong to a union must continue to be effectively protected by law.

2. No American should be compelled to belong to a union to earn a living. Voluntary unionism will make unions responsible to their members and to the public.

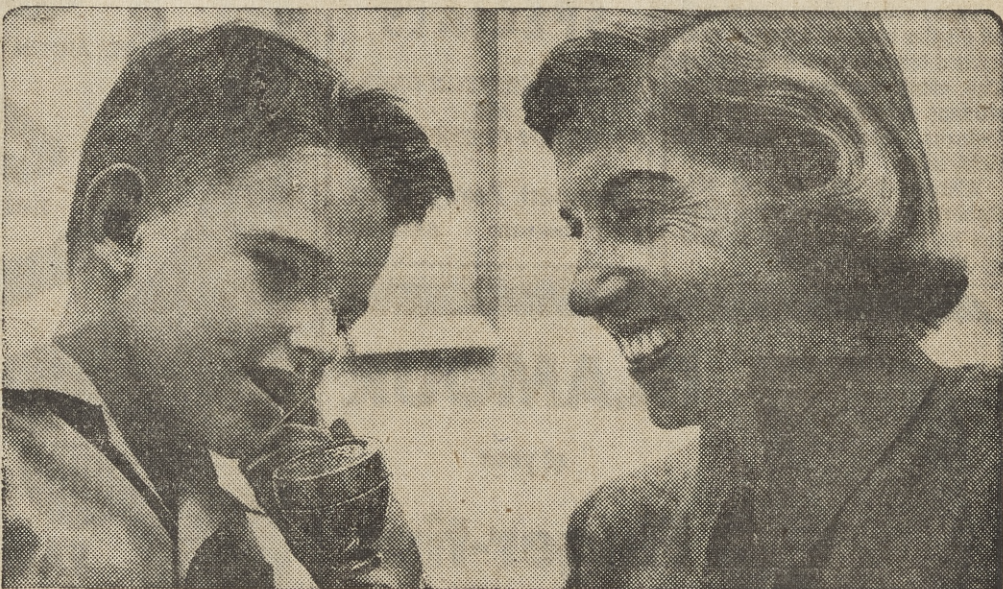

3. Union members should enjoy the protection of a Workers' Bill of Rights which includes election of officers by guaranteed secret ballot and provision for recall of officers by secret ballot.

Vote for BILL KNOWLAND for GOVERNOR June 3rd

Southern California Knowland for Governor Committee, Raymond J. Arbuthnot, Chairman, 4056 Wilshire Boulevard, Los Angeles, California

KEYS TO BETTER CALLING—how we improve service and keep your out-of-town calls low in cost

Today, your long distance calls can go through in seconds where it once took minutes. Why? In most cases, operators like those in the top picture speed your out-of-town calls straight through with push-button dialing. Or perhaps you live in a place where you dial them direct yourself. And today's fast long distance phoning is yours at low cost, too. We've made it that way with radio-relay and cable networks that carry thousands of calls at once. With tiny transistors that cut down space and power needs. These improvements have helped us make long distance phoning a pleasure anytime. A pleasure, as the box at the right shows, that's priced right for everybody.

SEE HOW LITTLE LONG DISTANCE CALLS COST TODAY

Typical low cost for station-to-station calls after 6 p.m. weekdays and all day Sunday.

	First 3 mins.	Each added min.
Los Angeles to Salt Lake City	\$1.05	30¢
San Francisco to Denver	\$1.35	35¢

CARD PARTY — The Peninsula Lioness Club is holding its annual Card Party on Saturday, May 24, at 8 p.m., at the Ocean Beach Woman's Club. The public is invited to this event, announced Mrs. Richard Baker, chairman, and all proceeds will benefit charity. Homemade cake and candy will be served. Members of Mrs. Baker's committee are pictured, front left to right, Mrs. Leonard Andres, Mrs. George Campbell and Mrs. Leonard Van Stelle. In back left to right, are Mrs. George Celeste, Mrs. Richard Baker and Mrs. Jules Joniaux. Reservations may be made with Mrs. Campbell, AC-3-8639.

Pack 228 To Plan Annual Picnic

Plans for the annual picnic for members of Cub Scout Pack 228 will be discussed at a meeting of the pack Friday, May 23, at 7:30 p.m. at the Community Center.

Reports on the "Kick-off Parade" will be made as well as plans for their participation in the Scout Fair to be held June 7 and 8 at Aztec Bowl. Also included on the program will be a demonstration of marching by a group from the Naval Training Station.

Nine boys who will receive the Webel award are: Randy Belt, Gilbert Daly, Ross Henshaw, Mike Lauer, Bill Long, Jim Lobel, Gary Hicks, Tom Lenehan and Stephen Bush.

Local Girls Have Roles In Opera

Two former Point Loma High School graduates will have roles in the San Diego State Opera Workshop production of "The Unicorn, the Gorgon, and the Manticore" and "Gianni Schicchi," May 26 and 28, at 8:15 p.m. in the college music auditorium.

Miss Judy Davis will sing in Puccini's one-act opera, "Gianni Schicchi." She is the daughter of Mr. and Mrs. Charles A. Davis, 570 Gage Lane.

Miss Dorothy Myers will be a dancer in Gian-Carlo Menotti's new madrigal opera. She is the daughter of Mr. and Mrs. Robert Myers, Sr. of 2105 Guizot St.

CAMP FIRE GIRLS — The Tonda Camp Fire Girls, 6th graders of Loma Portal school, participated in the annual Children's Hospital Fair last Saturday. Representing San Diego Camp Fire Girls, group members conducted their Own booth and sold "Do It Yourself" shell kits. Working months in advance, the girls had prepared the kits under the direction of their leader, Mrs. Harold C. Logan. Pictured are Ann Bishop and Laurie McGowan. Other group members include Marsha Logan, Laurie Ann McCutcheon, Janet Lister, Phyllis Long, Linda Huber, Sherry Dudley, Diane Roberts and Louise Hogan.

EAGLE SCOUT — Charles Nickel of Troop 500 was presented his Eagle Scout rank at the National Court of Honor Tuesday, May 13 at Westminster Presbyterian Church. The presentation of the badge and certificate was made by Philip Crittenden, left, the troop's first scoutmaster. Dr. and Mrs. Walter Nickel are pictured at right. Charles presented his mother with an Eagle necklace and a miniature Eagle during the ceremonies. Charles' brother, James, is also in troop 500 and received his Eagle last December.

GET ACQUAINTED — Representative Bob Wilson, right, will be present at the "Get Acquainted" party to be given by the Point Loma Young Republicans Club at the home of Rear Adm. B. W. Decker on Friday, May 23, from 6 to 9 p.m. Pictured with Wilson are, left, Dick Peck, president of the YR group, and Mrs. Peck, center. Peck announced that most Republican candidates will be present and those with an interest in the Republican Party are cordially invited.

Year Closes At Union Academy

The school year will close for students of the San Diego Union Academy of the Seventh Day Adventist Church on May 29, Marion J. Denman, principal, has announced.

Final events to take place will be consecration night Friday, May 30, and Baccalaureate sermon Saturday afternoon, Sunday, June 1, at 7:30 p.m. graduation exercises will be held at the Broadway church. In the largest class to graduate since the Academy was built, two Ocean Beach students will receive diplomas. They are Marvin Mitchell, class president, and Marjorie Delafield, class treasurer.

Soul and Body Subject Of Christian Science Sermon

The relationship, or lack of it, healing, "And Jesus rebuked between soul and body will be discussed in the Lesson-Sermon "Soul and Body" to be read in all Christian Science churches Sunday.

Referring to the mortal body, the Golden Text from II Corinthians (5:1) states, "We know that if our earthly house of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens."

Other references in the Lesson continue the analogy of the real temple (body) as God's reflection. An instance of healing is taken from the Gospel of Luke where Jesus healed a man, "which had a spirit of an unclean devil," Luke describes the

The Modern Dance Club of Point Loma will present their dance recital, "Memories" tomorrow night, May 23, in the school auditorium. Free refreshments will be served during the intermission. You may secure tickets from the P. E. department.

May 23 is a busy night, the Yacht Club Juniors are presenting their Polynesian theme dance at the Yacht Club. The Ramblers will play as everyone dances on the tennis courts. The dress is casual, and free refreshments will be served. A large crowd is expected, so be sure to contact the Yacht Club for the bids.

Wednesday, May 21, the Point Loma Key Club held their annual banquet to honor Loma school leaders. Jim Kennedy, this semester's president of Key Club presided and Mr. William Brotherton spoke.

The Coquettes, a non-school-sponsored girl's club, recently rode bikes, forming a caravan, to La Jolla. There they enjoyed a picnic lunch and swimming at the Cove.

The Junior Prom, which was last Friday night, was certainly enjoyed by all. Even the teachers were dancing! To add an extra touch to the evening, Mary Chapman was crowned Sweetheart of the Junior Prom.

LoVern Brown Named President Of Penwomen

Lo Verne Brown will be seated as president of the Ocean Beach Penwomen Tuesday, May 27, at 7:30 p.m. at the home of Mrs. Albert Munchiando, 4681 Greene St.

Other officers to be installed include Marjorie Davis, vice-president; Julia McGarvey, recording secretary; Salle Stivers, corresponding secretary; Louisa Rydberg, treasurer; Evelyn Harris, historian; and Mrs. Munchiando, parliamentarian.

Mrs. Wilma Kruger, past state president, will be installing officer. The program for the evening will be the reading of prize-winning poems and stories of national Penwomen groups.

Judge Hussey Seeks Reelection

Municipal Court Judge Luther N. Hussey seeks reelection at the primary election on June 3 on the basis of his 18 years experience as a practicing attorney handling both civil and criminal cases in State and Federal Courts, and his judicial experience of six years as a San Diego County Judge.

Judge Hussey attend Bellevue College and Westminster Law School in Denver, Colo., then entered the private practice of law in Washington, D.C., for a period of nine years before moving to San Diego County in 1949. He is a veteran of the 31st Infantry with service in the Philippines and is past National Adjutant of the Regular Veterans Association.

He was elected Judge of Homeland Justice Court in 1952 and became Judge of San Diego Municipal Court by operation of law upon merger of Homeland and San Diego Judicial districts.

He is active in civic affairs and service clubs and is a mem-

ber of American Bar Association and the American Judicature Society.

He is a long time advocate of a night traffic court for the convenience of the public and for five years conducted the only night court in San Diego County.

What They're Saying...

(continued from page 1)

from City Manager George Bean promising a complete review of the area with such planning in mind.

A short time ago the Athletic Field was only a dream. Earlier this spring the first baseball games were played there. Many local residents took time to get the Field ready, but the city helped us by erecting fences and grading The Field is now complete except for the installation of the sprinkler system.

The Chamber has realized the seriousness of the street and highway situation, direct approaches to the business area, and stop lights. Wabaska Boulevard is now a reality, and will greatly alleviate a heavy traffic problem. Certain vital stop lights have been erected.

Appeals to Senators Knowland and Kuchel have been made by the Chamber to get Federal assistance for our erosion problems. We are striving for their support in enacting legislation for federal funds to curtail further erosion of our beaches.

The people of this area successfully halted any plans for locating a sewage disposal plant off the Point, which would have been a serious detriment to the area.

These are only a few of the

progressive steps taken by the general citizenry and these people now deserve credit and appreciation for what they have accomplished. Now certain citizens have organized and succeeded in securing the City's backing of an urban renewal project in this community. We must feel proud that this area was selected by the Urban Renewal Commission, because of past signs of aggressiveness and community interest. This community can be proud of itself and know that it can stand on its record of community action.

Parent Institute Sets Final Meet

Rev. Donald Buba, Chaplain of Brown Military Academy will speak at the final session of Parent's Institute Sunday, May 25, 6 p.m. at the Ocean Beach Baptist Church. His topic will be "The Importance Of The Spiritual Life In An 'Age of Conflict'".

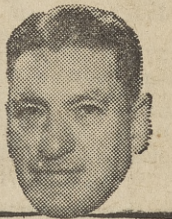

Rev. Buba is a graduate of John Brown University of Arkansas. He attended California Baptist Seminary at Covina and is pastor of the Christian Missionary Alliance Church of Pacific Beach.

As the Parent's Institute nears its close, and in emphasizing closer family relationships, an All Church Sunday School Picnic will be held at Holiday Ranch, 3 miles north of El Cajon on Highway 80, Saturday, May 24, from 10 a.m. to 6 p.m. Fun, frolic and feasting will be the order of the day, announced Rev. Allen Newman, pastor.

Dr. and Mrs. J. L. Boots, who lived at 1078 Devonshire originally from Pasadena, have moved into their new home in the 800 block of Moana Dr. They have twin sons, Frank and Joseph, 8.

GOOD MEN MAKE GOOD GOVERNMENT!

RETAIN JOHN McQUILKEN COUNTY ASSESSOR

It's true... good men... like John McQuilken... do make good government.

These are the kind of men we want serving us—especially in a job like the County Assessor's where training, experience and ability mean so much to the proper performance of public duty.

John McQuilken's outstanding record in this community since 1936 as a capable public official makes it amply clear that he is the kind of man we want in office.

Music Boosters Report Activities

The Band and Orchestra Parents Club of Point Loma High School, at its regular monthly meeting, reported progress in a campaign to provide support for the instrumental program at the high school. The Music Boosters obligated itself to provide 75 trim, colorful uniforms for the band and \$100 was designated for summer camp scholarships for orchestra members.

Eldon Tripp, ways and means chairman, expressed appreciation for the support given by residents to the Community Birthday Calendar drive. It was announced that several civic and service organizations including the Ocean Beach Kiwanis, Women of the Moose, Royal Neighbors, and Kiwanis-Annes have already given specific offers of help. With additional assistance from individuals and the high school student body, the club hopes to reach its goal of \$4,500

by June 1. The Birthday Calendar drive in the community will continue until that time.

Officers chosen for the coming year are: Morrow Stough, president; Wallace Dorman, vice-president; Sarah Davis, secretary; Melvin Long, treasurer; and Mrs. Guy Bruni, corresponding secretary.

Appointed to continue as chairmen of standing committees are: Carl Willis, publicity; R. E. Ball, membership; and Eldon Tripp, ways and means.
